JOOR

JOOR connects brands and retailers globally to deliver seamless digital wholesale management from connection through to payment.

Excel at Hybrid Selling

Give buyers access to 24/7 virtual showrooms before, during and after your in-person appointment. Tie your virtual and physical selling experience together with the iPad app, helping you place orders while offline or on-the-go.

Differentiate Your Brand

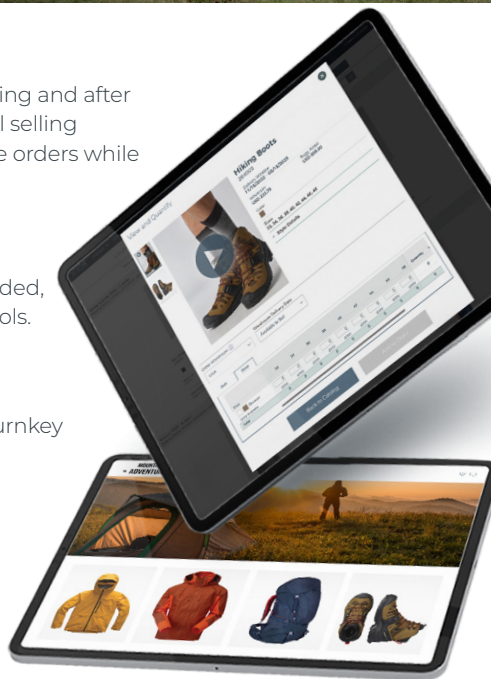

Put your brand's best foot forward with beautifully branded, curated showrooms and dynamic virtual presentation tools.

Grow Your Business

Surface insights and buying trends and save time with turnkey reporting that helps you uncover sales opportunities.

Improve Cash Flow

Release orders to shipment faster by tracking your orders and payment status directly on JOOR with JOOR Pay. Stop chasing payments by giving your buyers the flexibility to pay using their preferred method of payment.
